Sonia Zala, St. Transportation Eng.  
Ric Signorella, Multimedia Production Mgr.**

The Special Public Health and Safety Meeting was called to order at 8:17 p.m.

**2. PUBLIC COMMENT**

**3. NEW BUSINESS**

- A. Review and acceptance of the Construction Manager's Recommendation of the Qualified Low Bidders and Guaranteed Maximum Price Proposal for the construction of Fire Station #21.**

An item summary sheet from Dan O'Malley and Alan Wax was presented to Committee.

Dan O'Malley addressed the Committee and reported that design of the fire station is complete and the bid opening for all construction trades was conducted in August. Camosy provided the Village with a recommendation of the qualified low bidders. There are 15 trade bids recommended ranging in work from earthwork/site utilities to landscaping to complete the new station. Based on the bid results, the estimated construction total \$9.1 million. This amount includes cost for drainage and parking lot reconstruction to the CAC, but does not include design or furniture/furnishings.

Motion by Trustee Pilafas, seconded by Trustee Arnet for acceptance of the Construction Manager's Recommendation of the qualified low bidders and guaranteed maximum price proposal for the construction of Fire Station #21. Voice vote taken. All ayes. Motion carried.

**4. ITEMS IN REVIEW**

**5. OTHER**

**6. ADJOURNMENT**

Motion by Trustee Arnet, seconded by Trustee Kinnane, to adjourn the meeting at 8:25 p.m. Voice vote taken. All ayes. Motion carried.

**AGENDA ITEM REPORT**  
Public Health & Safety Committee  
September 23, 2024  
ITEM 4A

**REQUEST:** Authorization to:

- a. waive formal bidding
- b. purchase twenty-three (23) DSR Stalker Radar Systems from Applied Concepts Inc., Richardson, TX, in an amount not to exceed \$35,075.00.

**FROM:** Kasia Cawley, Police Chief

**ITEM TYPE:** Action Item - Committee

---

**REQUEST SUMMARY**

The radar system in all front line police vehicles are currently outdated and not under warranty, and purchasing new radars will allow for more precise and reliable speed targeting. In previous years, the Police Department has utilized the State of Illinois Joint Purchasing Program to provide the lowest costs based on volume discounting by vendors to provide products or services. However, in FY2024 there is no state contract awarded through this program. The police department requested quotes from three reputable vendors to include the cost of the radar system and all necessary accessories to be paired. Kustom Signals Inc of Lexena, KS, provided a quote at \$48,639.05. Dana Safety Supply of Miami, FL, was unable to provide a custom quote, but the pricing listed on their website totaled \$143,305.64. Applied Concepts Inc. of Richardson, TX, was the lowest bidder and provided pricing for a complete radar package for twenty-three (23) DSR Stalker Radars plus accessories including a 60-month warranty for \$35,075.00.

**FINANCIAL IMPACT**

There is sufficient funding in the asset forfeiture account to purchase twenty-three (23) speed radar systems for all front line police vehicles.

**RECOMMENDATION**

Authorization to waive formal bidding and purchase twenty-three (23) DSR Stalker Radar Systems from Applied Concepts Inc., Richardson, TX, in an amount not to exceed \$35,075.00.

KUSTOM SIGNALS, INC.
TERMS AND CONDITIONS

1. APPLICABILITY. Unless otherwise specified in a written bid, quote or contract, the following terms and conditions shall apply.

2. PRICES AND TAXES. Prices will be Kustom Signals, Inc.'s ("Seller") prices in effect on the date a purchase order is accepted by Seller, and Seller may change its prices at any time, in its sole discretion. All prices will be F.O.B. Chamute, Kansas, and net of any duties, sales, use or similar taxes, fees or assessments, and do not include shipping, packaging or any insurance costs, all of which are Buyer's responsibility.

3. PAYMENT. Unless otherwise provided on the face of the invoice, payment is due 30 days after invoice date in US dollars. Partial payments are not permitted unless authorized in writing. Partial payments will be treated as non-payment. Each invoice is independent from shipping sequence and disputes relating to other invoices. Failure to pay an invoice within 30 days will be considered a default.

4. DELIVERY AND PERFORMANCE. Delivery dates are approximate. Seller disclaims all liability for late or partial delivery. Seller may deliver in such lots and at such times as is convenient for Seller.

5. LOSS IN TRANSIT. Risk of loss will pass to Buyer upon delivery of the goods to the carrier. In case of breakage or loss in transit, Buyer will have notation of same made on expense bill before paying freight. Seller may reject claims for shortages not made within 15 days of Buyer's receipt of the goods.

6. TERMINATION, RESTOCKING CHARGES. Buyer may terminate this purchase order for its convenience, in whole or in part, by written, faxed or telegraphic notice at any time. If Buyer terminates this purchase order for convenience, Buyer will be liable to Seller for Seller's reasonable costs incurred in the performance of this purchase order that Seller cannot mitigate. Unless otherwise agreed upon in advance in writing by Seller, Seller may charge Buyer a 25% restocking fee, if: (a) upon approval by Seller, the Buyer returns any non-defective goods covered by this invoice; or (b) prior to shipment, but after the goods are produced by Seller, Buyer cancels the order for the subject goods.

7. WARRANTY. Seller's warranty is provided separately.

8. LIMITATION OF LIABILITY. SELLER IS NOT LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, OR INCIDENTAL DAMAGES, OR ANY LOST PROFITS OR LOST SAVINGS, EVEN IF A SELLER REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS, DAMAGES, CLAIMS OR COSTS, NOR IS SELLER LIABLE FOR ANY CLAIM BY ANY THIRD PARTY. SELLER'S AGGREGATE LIABILITY UNDER OR IN CONNECTION WITH THIS PURCHASE ORDER IS LIMITED TO THE AMOUNT PAID FOR THE GOODS.

9. INDEMNIFICATION. Buyer will indemnify, defend and hold Seller harmless from all losses, damages, liabilities and costs, including attorneys' fees, incurred or sustained by Seller as a result of any third party claim made against Seller, including a claim by a customer of Buyer, arising from its negligent, reckless, willful, or intentional actions in marketing and reselling the goods.

10. EXPORT RULES. Exports and re-exports of the goods may be subject to United States export controls and sanctions administered by the U.S. Department of Commerce Bureau of Industry and Security under its Export Administration Regulations ("EAR"). Buyer shall comply with all laws, rules and regulations applicable to the export or re-export of goods including but not limited to EAR which includes, among other things, screening potential transactions against the U.S. Government's (i) list of prohibited end users, and (ii) list of prohibited countries. Buyer represents and warrants that (i) it has not been charged with, convicted of, or penalized for, any violation of EAR or any statute referenced in EAR §766.25, and (ii) it has not been notified by any government official of competent authority that it is under investigation for any violation of EAR or any statute referenced in EAR §766.25.

11. MISCELLANEOUS. These terms and conditions, together with any other written agreement between Buyer and Seller, if any: (i) are the exclusive statements of the parties with respect to the subject matter and supersedes any prior or contemporaneous communications; (ii) may not be amended except in writing executed by the parties and will prevail in any case where the terms of Buyer's purchase order or other communication are inconsistent; (iii) will be interpreted and enforced in accordance with the laws of the State of Kansas, without giving effect to principles of conflicts of law. These terms and conditions are: (1) solely for the benefit of the parties, and no provision of these terms and conditions will be deemed to confer upon any other person any remedy, claim, liability, reimbursement, cause of action or other right. Each party consents to the exclusive personal jurisdiction of the state and federal courts located in the State of Kansas for purposes of any suit, action or other proceeding arising out of this Agreement, waives any argument that venue in any such forum is not convenient and agrees that the venue of any litigation initiated by either of them in connection with this Agreement will be in either the District Court of Johnson County, Kansas, or the United States District Court, District of Kansas. If any provision of these terms and conditions is unenforceable, the remaining provisions will remain in effect. No waiver (whether by course of dealing or otherwise) is effective unless it is made in writing and signed by the party to be charged with such waiver. Unless otherwise specified in writing, notices must be given in writing by registered or certified mail, return receipt requested, addressed to:

**AGENDA ITEM REPORT**  
Public Health & Safety Committee  
September 23, 2024  
ITEM 4B

**REQUEST:** Authorization to:

- a. waive formal bidding (due to sole source)
- b. purchase twenty (20) MedixSafe narcotic safe retrofit kits, software, and a five-year service subscription from Bioconnect of Memphis, TN in an amount not to exceed \$38,977

**FROM:** Alan Wax, Fire Chief

**ITEM TYPE:** Action Item - Committee

---

**REQUEST SUMMARY**

Every paramedic vehicle (engines, ambulances, ladder trucks, squads) and fire station in the Fire Department has a heavy-duty safe that is used to provide secure storage of narcotics and certain other drugs used by paramedics. The current safes are MedixSafes by Bioconnect, and they have been in use since 2018.

The only “operational” part of each safe is the front door. Each door has a latch, keypad, and display screen. To access contents of the safes, each employee has their own code to be entered on the keypad. Besides for entry to the safes, it allows for tracking of who accessed the safes and when.

The following are issues of concern:

- The company will no longer service these older-model safes.
- Currently, every time an employee is hired, changes paramedic status, or leaves the Department, each of the twenty safes must be physically hooked-up to a computer and reprogrammed for the change. As this may happen several times per year, and since the safes are scattered throughout the Village on the vehicles and in the fire stations, this is a very time-consuming and inefficient process.

The requested purchase leaves the current safes in place, as they are still in good condition, but provides a retrofit kit that replaces the front doors of the current safes with a new door that the company will service, and that will allow all safes to be reprogrammed remotely through the “cloud.”

The Village’s IT Department has tested the new door and confirms that the remote-programming function works well with the Village’s systems.

Therefore, the Fire Department respectfully requests approval to purchase the retrofit kits, software, and service subscription.

**FINANCIAL IMPACT**

\$38,977 from the Fire Department’s EMS Division in the Operating Budget

**RECOMMENDATION**

Approval to waive bidding (due to sole source) and purchase twenty (20) MedixSafe narcotic safe retrofit kits, software, and a five-year service subscription from Bioconnect of Memphis, TN in an amount not to exceed \$38,977.

# Hoffman Estates Police Department

To: Village Manager Eric Palm

August 2024

## PATROL DIVISION ACTIVITY REPORT

During the month of August the Patrol Division responded to 4088 calls for service. The following is a brief summary of some of the activities:

For the months of July and August various officers of the bike unit were assigned to patrol in hot spot areas. Officers were also assigned to conduct foot patrols in areas that had an uptick in crime trends. The officers targeted violations of drinking in public areas, open area use of narcotics, burglaries and damage to property.

On 02 August, Officers Kowal and Kent responded to the 500 block of Avondale Lane reference a missing suicidal 39-year-old male resident of Hoffman Estates. Information obtained revealed the subject may be located at the 600 block of Bode Road. Officers eventually located the subject, who was also wanted for trespassing by our department, and he denied suicidal statements but had a wound to his arm. The subject was taken into custody and transported by the fire department to the hospital for his wound. Once at the hospital the suspect made an attempted to escape. He was taken back into custody, charged with Theft Under \$500.00, Escape and Trespass to Residence, cited and released.

On 07 August, Officer Patel initiated a traffic stop at Barrington and Bode Roads after being alerted from the license plate recognition system that the registration was suspended. She met with the driver, a 21-year-old male resident of Island Lake. She noticed the odor of burnt cannabis emitting from the vehicle and a search of the vehicle produced unpackaged cannabis. The driver was issued a citation for Possession of Cannabis, Operating an Uninsured Motor Vehicle, and Suspended Registration and released.

On 08 August, Officers Chereck and Novello responded to the 3800 block of Winston Drive reference 3 to 4 juveniles attempting to steal packages from a front porch. Officers located the juveniles at the intersection of Winston Drive and Freeman Road. The 16-year-old male resident of Hoffman Estates immediately admitted to taking a package and later dropping it when confronted by a neighbor. The juveniles were eventually turned over to their parents. This incident led to information reference these juveniles starting fires in dumpsters resulting in the offenders being arrested.

On 09 August, Officer R. Miraglia initiated a traffic stop for several violations at Higgins Road and Greenspoint Parkway. He met with the driver, a 57-year-old male resident of Roselle, who exhibited signs of intoxication. He submitted to field sobriety testing and failed. He was arrested for Driving Under the Influence of Alcohol and transported to the police department. While at the department he submitted to a breath test which registered .097. He was cited and released for DUI, DUI Over .08, Improper Lane Usage, Disregarding a Traffic Control Device, and Operating an Uninsured Motor Vehicle.

---

## PATROL DIVISION REPORT CONT..

On 10 August, Officer Cardenas initiated a traffic stop for various violations near Barrington and Hassell Roads. He met with the driver a, 48-year-old male resident of Hoffman Estates who exhibited signs of narcotic use. The male consented to a search of his vehicle. While standing on the side of the road, officers observed him drop a vial from his pocket. When he was confronted, he struggled with the officers and kicked the vial down the sewer drain. He was handcuffed and searched but denied dropping any items from his pocket. Hoffman Estates Fire Department was contacted, and they recovered the vial from the sewer. The male still denied having possession, and a search of the vehicle produced a vial that matched the vial from the sewer. Also found was a clear plastic bag with suspected cocaine as well as three glass pipe containing burnt residue. The male was cited and released for Possession of Controlled Substance, Possession of Drug Paraphernalia, Resisting a Peace Officer, and Driving Upon a Sidewalk.

On 13 August, Officer D. Miraglia observed a vehicle traveling at a high rate of speed southbound on Huntington Lane, but due to the center median, he was unable to immediately turn around. Moments later he was dispatched to the 1600 block of Foltz Drive for a single vehicle traffic crash. Upon arrival he met with the driver, a 29-year-old female resident of Palatine. The driver exited the vehicle and stated, "I knew I made a bad choice." Officer Miraglia immediately noticed signs of impairment. The driver submitted to field sobriety tests and failed. She was arrested for Driving Under the Influence and transported to the police department. She was offered a breath test which registered her BAC at .229. She was cited and released for DUI, DUI Over .08, Failure to Reduce Speed, Driving on the Left Side, and Improper Lane Usage.

On 23 August, Officer Bachman, while patrolling the area of Prairie Stone Parkway and Higgins Road, observed a vehicle driving at him on the wrong side of the Prairie Stone Parkway. He initiated a stop and met with the driver, a 47-year-old male resident of Hoffman Estates. The driver barely rolled down his window, refused to identify himself and requested to speak with a supervisor. While Sergeant Jones was speaking with the driver, he was ordered out of the vehicle several times and refused to cooperate. The driver's actions were consistent with an intoxicated driver. The driver was removed from the vehicle and arrested for Driving Under the Influence of Alcohol. The driver was transported to the police department where he refused all tests. He was cited and released for Aggravated Driving Under the Influence of Alcohol/3 plus offenses, two counts of Obstructing of Justice, and Unlawful Possession of Cannabis.

On 24 August, Officer R. Miraglia initiated a traffic stop for a vehicle traveling 79 mph in a posted 45 mph zone. He stopped the vehicle at Heritage Drive and Valley Lane and met with the driver, a 24-year-old male resident of Hoffman Estates. The driver showed signs of intoxication, submitted to Field Sobriety Testing and failed. He was arrested and transported to the police department. He submitted to a breath test which registered .184. He was cited and released for Driving Under the influence of Alcohol, BAC over .08, and Speeding.

---

## NATIONAL NIGHT OUT 2024

On August 6, the Hoffman Estates Police hosted the annual National Night Out. Despite the rain, there were many Hoffman Estates residents in attendance. There were multiple vendors, the Church of the Cross provided food, HEPD specialty units came out, and there was even a DJ. During the event, there were station tours every 30 minutes. Residents at the event talked about how much they enjoyed it and thanked the police department for putting on this event.

## INVESTIGATIONS DIVISION REPORT

Detective Garcia was assigned to investigate a reported Aggravated Domestic Battery which was called in by the 36-year-old female Hoffman Estates resident who was battered by her homeless 26-year-old boyfriend. Hoffman Estates Police patrol units located the suspect hiding in a building on the 900 block of Grand Canyon Parkway. The victim was transported to SAMC for medical care due to her injuries which included bruises and a laceration to her lip which the victim stated was caused by a pocketknife. After further investigation felony review was contacted and one count of Aggravated Battery Great Bodily Harm was approved for the suspect. The suspect was transported for a psychological evaluation at Alexian Brothers Behavioral Health Hospital and was later processed upon his release. This case was Cleared by Felony Arrest.

Detective Fesemyer investigated a Violation of Order of Protection that occurred at the 100 block of Westview Street. Detective Fesemyer interviewed the 27-year-old Hoffman Estates resident who advised that her 28-year-old ex-boyfriend from Glendale Heights, is currently sending harassing messages via Facebook. The victim had an order of protection against the suspect while the messages were being received. Detective Fesemyer wrote a Grand Jury subpoena to Facebook for subscriber information. This investigation continues.

Detective Garcia was assigned to a case of Stolen Motor Vehicle when after performing numerous burglaries to unlocked motor vehicles, suspects discovered two unlocked vehicles with their keys inside and stole them from residential areas in north Hoffman Estates. Both were later recovered unoccupied in Chicago and processed for evidence. These cases were Cleared by Recovery.

Detective Parks was assigned to follow up on an Aggravated Domestic Incident during which the victim advised that her boyfriend had beaten her and caused a laceration to her lip. She was transported to the hospital where she received six stitches on her lip. The offender was located by patrol officers, attempting to hide in a sauna. The offender was transported to HEPD, and the victim was asked

to come to HEPD the following day to speak with the states attorney's office. During the statement she stated that she and the offender were at a friend's house drinking when the friend fell asleep on the couch in the living room. The victim and offender went to the bathroom to have sex. After sex while lying on the ground of the bathroom, the offender suddenly became angry and began to strike her. She attempted to leave the bathroom, but the offender would not let her. She eventually was able to get free. The States Attorney's Office approved Felony Aggravated Domestic Battery, and this case was Cleared by Felony Arrest.

Detective Parks was assigned to follow up on a Forgery/Obtaining a Controlled Substance by Fraud. A doctor realized that several prescriptions had been written under his name without his knowledge or consent. One of the location the prescription was filled at was the Walgreens on Roselle Road. Detective Parks obtained video surveillance of the offender's vehicle with a temporary plate that registered to a 28-year-old Chicago resident. The suspect's last arrest was for obtaining a controlled substance by fraud, and a booking photo of the offender from a previous arrest matched that of the individual seen on surveillance video. This investigation continues.

Detective Ramos was called in for a Death Investigation which occurred on the 1300 block of Rebecca Drive. The incident started as an ambulance assist for a sick 32-year-old female. The subject passed away while being transported to the hospital by Hoffman Estates Fire Department. It was reported that the subject has an extensive history of drug use and was attempting to quit. During the investigation, Detective Ramos discovered drug paraphernalia near the last known location of where the subject was resting, indicating a possible drug overdose. This investigation continues pending further reports from the Medical Examiner's Office.

# JUVENILE INVESTIGATIONS SECTION REPORT

Detective Fesemyer investigated an Online Enticement and Possession of Child Pornography investigation that occurred as part of the Internet Crimes Against Children Task Force. Detective Fesemyer obtained a Cybertip advising that an unknown suspect was attempting to obtain nude images from a 13-year-old victim. Detective Fesemyer completed two Grand Jury subpoenas and learned that the offender was a minor that lived in Weyerhaeuser, Wisconsin. Detective Fesemyer contacted the mother of the suspect and explained the investigation to her. Detective Fesemyer worked with the family to treat this incident as a learning experience, without criminal charges being filed. This case is Exceptionally Cleared.

Detective Fesemyer wrote one Grand Jury subpoena and four search warrants as part of the Internet Crimes Against Children Task Force investigations. Detective Fesemyer initiated 35 cases, where 20 were administratively closed due to lack of evidence and 4 were unfounded.

Detective Ramos investigated two related arson cases which occurred on the 4300 block of Haman Ave. Detective Ramos obtained video footage of the incident and was able to track down all the involved

offenders. One juvenile offender was arrested and charged with two counts of Arson. The second involved juvenile offender was issued a Disorderly Conduct citation due to having limited involvement. This investigation continues pending a third arrest on the involved adult offender.

Detective Ramos was assigned a Battery case which occurred near the Bode Road and Western Street area in Hoffman Estates in which a 12-year-old male juvenile was physically battered by three unknown juvenile offenders. The incident was not captured on camera and the juvenile is not able to positively identify any of the suspects. Detective Ramos is working with the Schaumburg School Resource Officer assigned to the victim's school to obtain possible leads. This investigation continues.

During the month of August, Detective Ramos conducted five lockdown drills at various schools in Hoffman Estates.

PD Social Worker Assigned Cases

Other Activities/Events:

- Peer Meeting
- National Night Out
- Freezy Fridays
- Aging Expo
- Social Worker Foundation Conference

## TACTICAL UNIT REPORT

On 01 August, Tactical Officers Bartolone and Meyer and Sergeant Giacone were patrolling the area of 2500 Hassell Road and made contact with two subjects smoking cannabis in plain view while in control of a vehicle. After a search of the vehicle a loaded firearm was found in the front passenger compartment. The driver was arrested and charged with Unlawful Use of Weapon and Driving Under the Influence of Drugs.

On 06 August, the Tactical Unit attended HEPD National Night Out and made valuable contacts with residents and members of the Village.

On 07 August, the Tactical Unit executed a search warrant on a suspect's phone in reference to a shooting that occurred in town.

On 08 August, Tactical Officers Bartolone and Meyer and Sergeant Giacone assisted patrol in locating a motorcycle driving recklessly into oncoming traffic and fleeing from police almost daily. The Tactical Unit located the subject at work and placed him into custody for Aggravated Fleeing and Eluding. His motorcycle was also seized as it was used in the commission of the crime.

On 08 August, Tactical Officer Bartolone recovered 3 FOID cards.

On 09 August, the Tactical Unit assisted Bartlet PD at their fest with the Suburban Multijurisdictional Response Force unit.

On 13 August, Sergeant Giacone and Tactical Officer Meyer instructed in-service training on handcuffing, defensive tactics, emergency medical treatment, and Taser use.

On 14 August, the Tactical Unit assisted Streamwood PD Tactical Unit with surveillance and conducting traffic stops on a known residence selling narcotics.

On 15 August, the Tactical Unit assisted patrol with locating and processing a subject that threatened to fight officers from a call earlier in the week. He was taken into custody without incident and processed accordingly.

On 15 August, the Tactical Unit followed up on a case involving a subject that fought the police and attempted to destroy evidence to avoid jail. After receiving a subpoena for medical records, the subject was charged accordingly.

On 16 August, the Tactical Unit assisted Hanover Park PD with the final Suburban Jurisdictional Response Force unit activity of the year.

On 21 August, the Tactical Unit was assigned a case involving juveniles from local area schools that threatened someone with a firearm after a physical altercation. After further investigative work the subject was located and taken into custody.

On 22 August, Tactical Officer Bartolone recovered a FOID card.

On 24 August, the Tactical Unit, in coordination with the Village, assisted with the recycling event. More than 100 pounds of prescription pills, needles, and various narcotics were properly disposed of.

On 29 August, Tactical Officer Meyer conducted an annual registration for a violent offender in town.

On 30 August, Tactical Officer Bartolone assisted the Detectives with a neighborhood canvass for a new police hire in Montgomery IL.

On 31 August, Tactical Officer Jennings assisted with the locating and apprehension of a subject that fled from a Schaumburg accident.

## SPECIAL /STAFF SERVICES DIVISION REPORT

A number of projects and programs were completed and continued in the Special Services & Staff Services Division during August 2024. Some of these included:

Sergeant Donohue continued with the recruiting process of entry level Police Officers as well as lateral Police Officers.

Sergeant Donohue made several Facebook posts regarding events in the Village of Hoffman Estates that Police would be attending as well as special events throughout the Village of Hoffman Estates.

August 13, August 20 – All sworn members of the Hoffman Estates Police Department attended in-service training regarding Defensive Tactics and Taser Certification.

### NEW HIRE

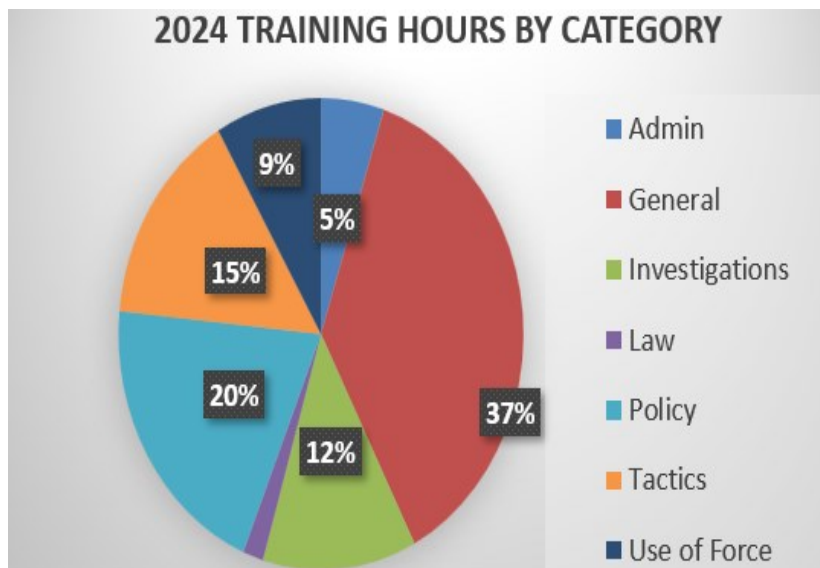

The Department welcomed Probationary Police Officer **Zachary Woodbury**. He will attend the Cook County Sheriff's Police Academy starting August 26th.

New Items Inventoried	191	1571
Items sent to the crime lab	51	227

## COMMUNITY RELATIONS REPORT

August 2 – Chief Cawley, Deputy Chief Bending, social workers Nataly Correa and Alexandra Berkman, and other on-duty officers attended “Freezy Friday” at South Ridge Park in North Hoffman. Freeze pops were handed out to kids and their parents while they enjoyed the nice weather and played in the splash pad. Oakley even made a special appearance!

August 9 – Chief Cawley, Deputy Chief Bending, Officer Ortiz, social worker Alexandra Berkman, and various on-duty officers attended “Freezy Friday” at Seascape Aquatic Park. Freeze pops were handed out to kids and their parents while they enjoyed the nice weather and played in the pools. Many groups of summer campers came in. Of course, Oakley was the greatest hit!

August 23 – Sergeant Donohue, Officer Ortiz, Officer Teipel, and Cadets/Advisors attended various classes at Conant High School to recruit for the First Responder Teen Academy, Public Safety Cadets, and Emergency Management. They spoke to different forensic and law classes but also attended other classes that the teachers welcomed us into. We had multiple applications for the cadet program and inquiries about volunteer hours afterward.

August 24 – Chief Cawley, Deputy Chief Bending, Officer Ortiz, and many other HEPD personnel attended the Special Olympics Truck Convoy at the Now Arena. We had the opportunity to raise money for the athletes of the Special Olympics. There was a huge turnout and even had a showdown between two companies for the Lead Truck auction. We estimate raising approximately \$80,000 for Special Olympics. It was by far the most we’ve raised compared to years past! It was such a rewarding experience to be a part of.

August 26 – HEPD had the honor of volunteers visiting from the Raksha Bandhan HSS to celebrate Universal Oneness Day – a Hindu Raksha Bandhan Festival. This simply translates to “Protection connection” between siblings. However, this organization began expanding the festival's tradition to include first responders and community leaders as a sign of appreciation and gratitude.

# CADET POST 806

August 14, 21 and 28 – The Cadets had their first meetings of the school year. They viewed a PowerPoint presentation on how to conduct traffic stops. They learned the proper way to conduct a traffic stop from the beginning until the very end. Videos were shown that tied in to the topics discussed and there was an open conversation about the reasons officers conduct stops the way that they do in order to keep themselves and the public safe.

At the end of each meeting, the cadets took a short quiz to test their knowledge and how much they learned from the lesson. Afterward, they were taught how to handcuff and were explained the safety behind it. They then had the opportunity to practice with each other and the advisors. They called out their traffic stops to dispatch and spelled the driver’s names to dispatch. They also learned other terms they may hear from a dispatcher and what exactly it means.

New cadets and volunteers had the opportunity to watch senior cadets do a traffic stop first before trying one themselves. They had the opportunity to ask questions and solidify their skills. The plan is to keep building off of these basic traffic stops to make them harder as the weeks pass.

---

## TRAFFIC SECTION REPORT

Sergeant Wondolkowski reviewed 183 red light camera violations for a total time of 2.7 hours.

The Traffic Section reviewed 18 hit and run traffic crash reports.

Sergeant Wondolkowski processed 26 oversize/overweight permits through the Oxcart permit system. Year-to-date Sergeant Wondolkowski has processed 182 permit requests.

August 27 - Officer Witt had an MCAT / STAR Team callout for a fatal crash investigation in Mount Prospect.

August 15 – August 18 - Officer Witt attended The International Chiefs of Police Impaired Driving Conference in Washington DC.

The department speed trailer was placed on Winston and Norman Drive as well as Fairmont Road between Golf and Higgins Roads. Locations were determined based on traffic complaints received by the department.

### Traffic Enforcement

LOCATION	START	END	PATROL HRS	# of CITATIONS	SPEEDING	VW	OTHER
Fairmont (between 58 / 72)	08/13/24	08/31/24	2.5	3	3	0	0

## OAKLEY'S REPORT

On August 1st, Oakley joined his Canines 4 Comfort friends at a “Hero’s in the Park” event hosted by the Highland Park Park District. Children who attend park district program had the opportunity to visit with Public Works employees, Firefighters, and Police Officers...of course, the police comfort dogs stole the show.

On August 6th, the Hoffman Estates Police Department hosted the annual National Night Out celebration at the police station. Even in the rain, Oakley had the opportunity to meet with residents and explain the role he plays for the police department. He even got to meet Gus T. Bull, the Windy City Bulls mascot.

On August 14th, Oakley joined Pickles and Caine (Oakbrook Terrace PD) and Belle (Canines 4 Comfort) for a office visit at INX in West Chicago. The business employees had the opportunity to destress with the dogs.

The Hoffman Estates Children’s Advocacy Center hosted their 35th birthday celebration. The CAC requested that Oakley make an appearance so, he decided to invite a few friends. Hope (Streamwood PD), Chance (Elgin PD) and Walter (100 Club of Illinois) all came out to celebrate. They received a lot of pets and met some new friends.

On August 24th, The Hoffman Estates Police Department and the NOW Arena hosted the annual Special Olympics Truck Convoy. Oakley join in on the effort to help raise money and awareness for athletes with physical and mental disabilities. Thanks to Oakley’s help, the event raised over \$80,000 for Special Olympics Illinois, including \$20,000 for the Lead Truck auction which was won by Flood Brothers Disposal.

On August 29th, Oakley visited Elgin High School with Chance and Charm (Elgin PD), Bandit (Oakbrook PD), Maverick (Bartlett PD), Dooley (Sycamore PD), Hope (Streamwood PD) and Oakley (McHenry PD) to comfort student after the loss of a classmate. The dogs put a smile on all the students faces during the difficult grieving process.

---

# LETTERS OF APPRECIATION

Good Afternoon

I would like to thank the Hoffman Estates Police Department for their continued partnership with Ascension Saint Alexius. On August 21<sup>st</sup> 2024, Saint Alexius held a very successful day of training staff on how to respond to an active shooter event. The exercise consisted of roughly 25 minutes of slide show and open discussion followed by another 30 minutes of functional hands on exercise in a controlled environment. The hospital ran this hour long session 9 times in that single day. 151 staff members were able to attend and get valuable information that we hope they never have to use. Sgt Phil Giaccone, Patrolman Clay Johnson, and Tactical Officer Joe Meyer not only attended our training but participated in the open forum discussions lending their expertise to all of our staff members. This partnership was very well received with rave reviews from our staff!! I can't thank them enough for their assistance. We are lucky to have HEPD on our side.

Thank you as always.

**Tim Mathews, CHSP CHEP**  
Safety Compliance Officer  
Emergency Operations Manager

# LETTERS OF APPRECIATION

## Palatine Police Department

595 North Hicks Road  
Palatine, IL 60067-3608

WILLIAM NORD  
Chief of Police

(847) 359-9000  
FAX 359-9021

Chief Kasia Cawley  
Hoffman Estates Police Department  
411 W. Higgins Road  
Hoffman Estates, IL 60169

August 22, 2024

Dear Chief Cawley,

I am writing to express my sincere appreciation for the assistance provided by Officers Tim Bong and Ryan Miraglia during a recent incident in Palatine on July 28, 2024. On that day, approximately 3,000 people gathered for a political rally at Harper College. Due to the increased attendance at the rally, crowds dispersed from the college campus and moved to adjacent private property parking lots. Although peaceful, many of the participants parked their vehicles in the traffic lanes of Algonquin and Roselle Roads creating significant hazards for others traveling through the area. As the crowds continued to increase, and to ensure the safety of those involved, my department initiated an Illinois Law Enforcement Alarm System (ILEAS) mutual aid request, resulting in officers from surrounding agencies responding to the area to assist. At the request of private business owners, officers made announcements to the crowds ordering them to disperse. The crowds responded and left peacefully. No arrests were made and no discernable damage was reported. Your officers' professionalism, quick response and dedication greatly contributed to the positive resolution of the situation.

The cooperation and support from your department demonstrated the strength of interagency collaboration and the commitment to serving and protecting communities beyond borders. I am truly grateful for your officers' assistance and the excellent work that reflects the values of your department.

Please extend my thanks and recognition to the officers involved. We look forward to continued collaboration in the future.

Thank you once again for your support.

Sincerely,

William Nord  
Chief of Police

---

## LETTERS OF APPRECIATION

I received the below email from Mary [REDACTED] whose husband suffered a medical emergency. The officer she is speaking of is Officer Capocci, which is not surprising. Officer Capocci, I want to thank you for keeping calm and shining a positive light on the Village of Hoffman Estates. **Cmdr. Penrod 144**

“Please extend my gratitude to the initial responders, 911 dispatch, police and emergency medical services, to my 911 call on 8/09/2024 at 2:15am. My home address is [REDACTED]

Truly, I was absolutely terrified watching my husband experience a brain seizure during a diabetic episode. On occasion in the past, he would faint, but I never witnessed such sudden violent facial and verbal intensity coming from a quiet, unassuming man. Apparently, that can happen when blood sugar levels drop to 20.

The first officer to respond witnessed my husband's behavior. I sense it was his first time seeing such a thing, but he remained calm and kept me safe and calm as well.

The emergency medical team and 911 dispatch also need to know my appreciation and gratitude. I trust you will pass this on.

Thank you again for all you do.

Mary [REDACTED]  
[REDACTED]

Hoffman Estates, IL [REDACTED]

# VILLAGE OF HOFFMAN ESTATES DEPARTMENT OF HEALTH & HUMAN SERVICES MONTHLY REPORT

To: Eric Palm, Village Manager

August 2024

## Prevention & Wellness

Research shows that the work duties and stressors related to being a police officer are specifically unique to the field and often misunderstood. Being a police officer changes the way officers think, respond, and manage stress which can significantly impact officers' overall wellbeing. Police officers are often unaware to the changes happening within them until they present physically and socially but even then, police officers and families may not understand why changes are occurring. The Village of Hoffman Estates Health & Human Services Department extern Jasmoniqua Cleveland offered a 15 minute private stress screening for officers which provided a chance to briefly discuss the impact of policing on the officer's overall wellbeing, and resources and tools to manage the stressors of the job. Stress screenings were held at the Police Department from 3pm-9pm on August 2nd. Thirteen officers participated in the screenings.

The 2023-2024 Psychology Training Program interns and externs completed their training with the Village of Hoffman Estates Health and Human Services on August 13th and August 16th, 2024. Throughout their year in HHS, students provided direct clinical therapy services, psychological testing services, community workshops and presentations, and developed and attended community events and resource fairs. Their contributions to serving the community have been appreciated.

Health and Human Services director Dr. Monica Saavedra and community health nurse Gina McCauley attended the Wine Wednesday event on 21, 2024. At the event, Health and Human Services was presented with a check for \$1,000 from the Schaumburg-Hoffman Lions Club for the Village's Self-Help Fund. The self-help fund assists residents of Hoffman Estates who are experiencing hardship and whose circumstances may fall outside of additional emergency assistance programming. Residents must meet criteria and demonstrate hardship to participate in the program.

On August 3, 2024, the Youth Commission hosted an educational reptile show for the community in partnership with Cold Blooded Parties. Seventy-six (76) people attended the event.

HHS hosted a WITS Workout class for older adults at Village Hall on August 15, 2024. Eight (8) people attended the class. The WITS Workout program provides participants with a variety of games and tasks that help enhance memory, learn new skills, and have social engagement. The WITS Workout program will be available monthly to residents of Hoffman Estates and will resume its second site for classes at Haverford in the Fall.

Health and Human Services provides quality preventative health services to the community. In August, nursing staff provided 134 infant and children's vaccinations and 3 adult vaccinations. Through these vaccinations, a total of 235 child and 7 adult antigens were administered. One hundred eleven (111) preventative screenings were completed which include blood pressure (28), and pulse screenings (17), Blood Sugar (15), Hemoglobin (12), CardioCheck (6), TB (12), A1C (4) tests, and Tanita (5). Nursing staff provided Bone Density clinics for the community. Twelve (12) bone density screenings were completed. Nursing staff provided 45 hours of consultation during the month of August. Vision and Hearing Screenings were conducted to screen pre-school age children. These screenings assist with identifying difficulties in vision and hearing and utilize developmentally-appropriate techniques to screen children and identify any necessary referral or follow-up. During August, 167 vision and hearing screenings were completed.

## **Treatment and Crisis Response**

Health and Human Services provides in-person therapy services and telehealth psychotherapy services for the community and Village employees. During the month of August, clinical psychology staff served 107 clients and provided 156 hours of individual counseling, 2 hours of family counseling, 3 clinical intakes, and 12 hours of crisis counseling. With the conclusion of the training year, clients completed termination sessions during the first week of August and were placed on a transfer list to begin services with new therapists beginning in September. Therapy services address a variety of mental health concerns including depression, anxiety, trauma, grief, suicidal ideation, and family conflict.

During the month of August, Health and Human Services and Police Social Workers, conducted crisis outreach and intervention. Crisis intervention services include making calls to the Department of Children and Family Services (DCFS), safety planning and hospitalization for clients experiencing suicidal ideation, providing assistance and resources to residents facing mental health emergencies homelessness, domestic violence, and the need for substance abuse referrals. During the month of August, Police Social Workers, completed 240.5 hours of crisis calls in the community.

## Emergency Assistance

HHS continues to be a volunteer service extension site for the Salvation Army program. Through this program, HHS provides Salvation Army Emergency Assistance services to Hoffman Estates' residents in need. This fund provides limited financial support to families who show a need due to an unexpected emergency (i.e. insufficient funds for rent or past due utility bill). Staff meets with each client for approximately 30 minutes to assess the need for additional services and/or referrals. During the month of August, 5 residents were assisted through the Salvation Army program.

HHS is a designated site for individuals to apply for the Nicor Gas Sharing program. The program provides payment assistance with gas bills for those who qualify and meet income requirements. During the month of August, 2 residents were assisted.

The Health and Human Services Lending Closet loans wheelchairs, crutches, canes, walkers, and knee scooters to residents for a small fee. During August, 2 items were loaned to Village residents.

## Sharps Recycling Program

Health and Human Services offers sharps recycling on the first Wednesday of each month. During the month of August, Health and Human Services collected sharps on the first of the month and at the Community Recycling Event held at Village hall on August 24, 2024. During the month of August, 258 pounds of sharps were collected.

### Charlie's Check-In

**In August, Charlie sat in on 27 therapy sessions, participated in Charlie visits around Village Hall, did various meet and greets with clients in the HHS lobby, and continued working on training. Charlie was also excited to participate in Village Hall Selfie Day and can be seen here enjoying his selfie with his friends in HHS.**

## Additional Activities

- Dr. Audra Marks attended the First Friday event at Seascap Aquatic Center on August 2, 2024.
- Dr. Monica Saavedra attended the monthly meeting for the Senior Commission on August 6, 2024.
- Dr. Audra Marks and Dr. Monica Saavedra attended GIS training on August 9, 2024.
- HHS staff attended the end of year celebration for psychology externs and interns on August 13, 2024.
- Dr. Monica Saavedra attended the monthly Youth Commission Meeting on August 15, 2024.
- Dr. Monica Saavedra attended budget meetings on August, 19th, 20th, and 21st at Village Hall.
- Dr. Audra Marks attended the monthly Commission for People with Disabilities meeting on August 19, 2024.
- Dr. Monica Saavedra presented and Dr. Audra Marks attended the HHS budget review presentation on August 20, 2024.
- Dr. Monica Saavedra assisted at the Senior Commission Luncheon on August 21, 2024.
- Dr. Monica Saavedra attended the management team planning retreat on August 23, 2024.

Monica Saavedra, Psy.D.  
Director, Health & Human Services

Audra Marks, Psy.D.  
Assistant Director, Health & Human Services

## VILLAGE OF HOFFMAN ESTATES EMERGENCY MANAGEMENT AGENCY

The Village of Hoffman Estates Emergency Management status report for August 2024:

### **EMC:**

This month was focused on budget preparation and a presentation to village management. I also have been working with HRM to finalize some updates on our village emergency plans to include adaptations for communications and lockdown procedures. These should be finalized over the next month and be redistributed to village employees for additional training.

Another large project for this month was the Emergency Management Preparedness Grant (EMPG) application for the 2024-2025 cycle. This process includes setting up a projected budget, objectives, goals, and narratives for IEMA and FEMA to review. Once accepted, the village will receive approximately 50% of the Emergency Management operating budget through this grant. Expenses include the EOC internet, the JEMS annual costs and additional expenses for training.

This year's annual Severe Weather Drill was scheduled for August 13<sup>th</sup> at Village Hall. All employees working at Village Hall participated in this drill by finding their closest shelter location within the building. This also allowed us to test the intercom system.

Event preparations and planning started this month for the Platzkonzert German Festival that included the development of the Event Action Plan and resource requests to Cook County Emergency Management and Regional Security.

The Continuity of Operations/ Continuity of Government Plan (COOP/COG) is in the revision process this month and should be finalized by the first week of October. This process includes having each department director review vendors, contacts, and priorities within their respective departments. Once finalized, I will compile all of the revisions, and this document will be reviewed by JEMS and IEMA. The COOP/COG is a document used to establish a framework of how our village operates in the event of a large-scale emergency where certain aspects or departments may be offline, unavailable, or disrupted. The goal of this document is to maintain our government operations during those disruptions with minimal impact by preplanning.

**EMA Team:**

The EMA team participated in this year's National Night Out at the Police Department. The team passed out information on severe weather, winter weather preparedness and power outage information to the public. Our giveaways included tornado tattoos and severe weather stickers.

This month, the EMA team begins working at both High Schools for their home football games for traffic assistance. The EMA team has provided assistance over the years due to an increased attendance and poor traffic flow into their parking lots.

**Outlook:**

Outdoor Warning Siren to replace HE11, which is located at Rohressen Rd, ¼ mile south of Shoe Factory Rd will be upgraded in September, according to Fulton Sirens.

In September, our village will be participating in a JEMS Emergency Operations Center Full-Scale Exercise with multiple other villages to simulate working together within a mutual aid structure. This unique exercise will allow our village and our neighbors to have a uniformed approach in how we work an Emergency Operations Center when dealing with a large-scale emergency. This exercise is scheduled for mid-September.

## FIRE DEPARTMENT MONTHLY REPORT

August 2024

This month's activities resulted in the Fire Department responding to 591 calls for service, 442 incidents were for emergency medical service, 141 incidents were suppression-related, and 8 were mutual aid to other fire departments.

The following is an overview of activities and emergency responses for the month of August.

Alan Wax, Fire Chief

### Department Activities and Highlights:

Personnel from our Hazardous Materials Specialty Team took part in a MABAS (Mutual Aid Box Alarm System) Drill with nearby communities during the month of August.

**Emergency Incidents of Interest:**

**8/2/24 – #24-3899 – Barrington Rd – Medical Incident**

Companies responded to the above location for the report of a cardiac arrest. Upon arrival, companies assessed one patient. Personnel contacted SAMC and resuscitation efforts ceased in the field. The scene was turned over to HEPD.

**8/6/24 – #24-3985 – Huntington Blvd – Medical Incident**

Companies responded to the above location for the report of a cardiac arrest. Upon arrival, companies assessed one patient. Personnel contacted SAMC and resuscitation efforts ceased in the field. The scene was turned over to HEPD.

**8/5/24 – #24-3950 – Haman Ave – Dumpster Fire**

Companies responded to the above location for the report of a dumpster fire behind a school. Upon arrival, Engine 23 found a fully involved fire in a large dumpster on the side of the building. The fire had not spread to the structure. Engine 23 used the deck gun and a hose line to extinguish the fire. A thermal imaging camera was used to determine all heat sources were extinguished. The scene was turned over to HEPD.

**8/11/24 – #24-4080 – Olmstead Dr – Medical Incident**

Companies responded to the above location for the report of a cardiac arrest. Upon arrival, companies assessed one patient. Personnel contacted SAMC and resuscitation efforts ceased in the field. The scene was turned over to HEPD.

**8/13/24 – #24-4125 – Devonshire Ln – Medical Incident**

Companies responded to the above location for the report of a cardiac arrest. Upon arrival, companies assessed one patient. Personnel contacted SAMC and resuscitation efforts ceased in the field. The scene was turned over to HEPD.

**8/20/24 – #24-4254 – Apache Ln – Medical Incident**

Companies responded to the above location for the report of a cardiac arrest. Upon arrival, companies assessed one patient. Personnel contacted SAMC and resuscitation efforts ceased in the field. The scene was turned over to HEPD.

**8/20/24 – #24-4255 – Audubon St – Medical Incident**

Companies responded to the above location for the report of a cardiac arrest. Upon arrival, companies assessed one patient. Personnel contacted SAMC and resuscitation efforts ceased in the field. The scene was turned over to HEPD.

### **Mutual & Auto Aid Incidents of Interest:**

#### **8/26/24 – #24-4374 – Grey Fox Ct, Streamwood – Structure Fire**

Tower 22 responded mutual aid to the above location for the report of a structure fire. Upon arrival, Tower 22 was assigned to ventilation and overhaul. The assignment was completed, and the crew proceeded to rehab. Tower 22 was released by Command.

### **ADMINISTRATIVE DIVISION**

- Fire Chief Wax participated in the following events during the month:
  - Leadership Seminar
  - Regional Fire Service Preparation Meetings for the DNC
  - National Night Out
  - Mutual Aid Box Alarm System (MABAS) Division 1 Fire Chiefs' Meeting
  - Several Meetings and Calls related to new Fire Station #21 design and construction
  - MABAS Division 2 meeting (hosted by HEFD)
  - Swearing-In of new Police Officer
  - Budget meetings
  - Metropolitan Fire Chiefs Association of Illinois Executive Board meeting
  - Torch Run Truck Convoy for Special Olympics Illinois
  - 9/11 Ceremony Committee planning meeting
  - Summer Sounds on the Green concert
  - Board of Fire & Police Commissioners Interviews of Firefighter Candidates
  - Community Emergency Services and Supports Act (CESSA) "Hyperlocal" meeting

## **ADMINISTRATIVE DIVISION continued**

- Deputy Chief of Administration Raymond participated in the following events during the month:
  - Attended Leadership Seminar
  - Attended FF Watson's 5th anniversary
  - Attended Bid meeting for Station 21
  - Attended MABAS 2 Chiefs Meeting
  - Attended Preplan GIS Bureau Rollout
  - Attended HEPD new hire swearing-in
  - Attended the Officer meetings
  - Attended the 2025 Operating Budget Meeting
  - Attended New Cardiac Monitor presentations
  - Work the NOW Arena as 606
  - Attended Staff Meeting at Station 24
  - Attended Division 1 Deputy Chiefs' meeting
  - Attended the D/C's intro to GEMT

## **OPERATIONS DIVISION**

- Deputy Chief of Operations Clarke participated in the following events during the month:
  - Attended Division 1 Deputy Chiefs' meeting
  - Attended the National Fire Academy for the Executive Fire Officer Program
  - Attended the Bid Meeting for Station 21
  - Attended the Tornado Drill at the Village Hall
  - Attended the MABAS 2 Chief's Meeting at Station 24
  - Attended the MABAS 1 OPGS Meeting
  - Attended the 2025 Budget Meeting with Finance
  - Worked on the 2025 Promotional Exam for Lieutenants and Captains
  - Worked on our New Hire Process
  - Attended a Third Quarter Staff Meeting
  - Attended a GEMT Meeting

## TRAINING DIVISION

- Battalion Chief Zito participated in the following events during the month:
  - Developed training for the month of September
  - Attended MABAS Div 1 Training Officer's meeting
  - Held Shift Training Coordinator's meeting
  - Filled two openings on STC committee
  - Attended MABAS Div 1 Safety Officer's meeting
  - Held HE Occ Health & Safety Committee meeting
  - Attended Viscuso Leadership Seminar at Harper College
  - Attended HEPD new officer swearing in
  - Attended Dr. Denis O'Neal Teamwork and Leadership Seminar
  - Coordinated and attended Officer's Meetings
  - Attended Pipeline Emergencies Class MABAS

## PUBLIC EDUCATION

### Classes

8/12 – Public CPR Class (4 Adults) (FF Campbell)

### Pub Ed Activities

8/1 – Summer Sounds on the Green (1<sup>st</sup> Shift Station 24)

8/6 – National Night Out (FF Kelm & 3<sup>rd</sup> Shift Station 21)

8/8 – Summer Sounds on the Green (2<sup>nd</sup> Shift Station 24)

8/8 – Smoke Detector Inspection (2<sup>nd</sup> Shift Station 23)

8/10 – Early Autism Services Open House (1<sup>st</sup> Shift Station 22)

8/10 – Block Party: Carriana Court (1<sup>st</sup> Shift Station 23)

8/14 – Brookdale Senior Living Open House (2<sup>nd</sup> Shift Station 22)

8/15 – Children's Advocacy Center 25<sup>th</sup> Birthday (3<sup>rd</sup> Shift Station 21)

8/15 – Summer Sounds on the Green (3<sup>rd</sup> Shift Station 24)

8/17 – Hoffman Estates Chamber Car Show (2<sup>nd</sup> Shift Station 22)

8/18 – Beth Tikvah Annual Picnic (3<sup>rd</sup> Shift Station 21)

8/20 – Salem Apartments M.O.R.E. Event (2<sup>nd</sup> Shift Station 21)

8/24 – Special Olympics Torch Run (Lt Lichtenberg, Capt Campbell & 3<sup>rd</sup> Shift Station 24)

8/24 – Block Party: Evergreen Lane (3<sup>rd</sup> Shift Station 21)

8/28 – Smoke Detector Inspection (1<sup>st</sup> Shift Station 24)

~August – Installed 0 smoke detectors

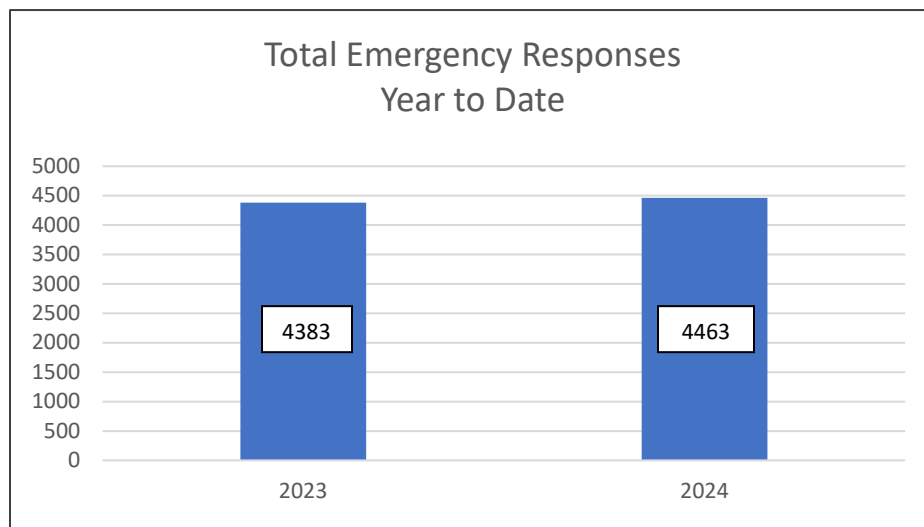

~August – Educated 85 adults and 400 children in fire safety

## TRAINING DIVISION

### Outside Training:

- Company Fire Officer (Schuenke & Lichtenberg)

### In-house Training:

- SOG's and SOP reading – THG 003 Elevated Parking Buildings
- SOG's and SOP reading – SG 003-Fire Department Respirator Guidelines
- NWCH SOP's – Chest Pain ACS
- Pierce Engine FAE Skills
- Driver's Training Cone Course
- Monthly Paramedic ConEd
- Quarterly Intubations
- Officer's Meeting
- Staff Meeting
- VEIS Videos

### Company Training Instructed by the Captains and Lieutenants:

- **55-15** Airbags
- **55-8** Forcible Entry
- **55-14** Hydra-force
- **55-12** Cold Water Survival Suit 56-5A
- **56-1C** Engine Company Evolution #1C - 2 1/2 Pre connect Attack Line with Hydrant Supply (3 person company)
- **56-4B** Engine Company Evolution #4B Supply FD Connection (2-3 person Company, Sprinklered or Standpipe Building)
- **56-2A** Standard Lead-out (3 Person Company, Single family/Townhouse Scenario)
- **56-3A** Engine Company Evolution #3A Master Stream (4-5 person Company, Warehouse Building Scenario)

Total training hours for the month of July for all members were 4,216.
