AGENDA ITEM REPORT
Public Health & Safety Committee
November 25, 2024
ITEM 4A

REQUEST: Authorization to waive formal bidding and award a two (2) year service agreement to Flock Group, Inc, Atlanta, GA, in an amount not to exceed \$98,450.00.

FROM: Kasia Cawley, Police Chief

ITEM TYPE: Contract - Committee

REQUEST SUMMARY

The Hoffman Estates Police Department is requesting authorization to expand our partnership with Flock Group, Inc and establish a Real Time Information Center (RTIC) and install seven (7) additional LPR cameras. Since the implementation of the Body-Worn Camera Program in 2022, the department has made significant upgrades in advanced technology. The RTIC will provide a comprehensive solution that consolidates these multiple technologies into a single cloud based operational view.

Utilizing the reconfigured workspace already staffed 24/7 at the police department front desk, Community Service Officers will monitor various sources of data, including LPR cameras, body-worn cameras, call for service geolocation and third-party surveillance footage. This solution will provide enhanced situational awareness in the field for first responders, provide patrol officers with real-time intelligence during the initial stages of response to significant incidents, conduct proactive monitoring of available resources to aid in the prevention of crime, and to aid investigators in the gathering of digital evidence pertinent to major investigations.

Additionally, the RTIC fosters community collaboration and transparency by offering the option for resident’s and businesses to join a community camera registry. This program provides a structured way for law enforcement to work with small businesses and individual citizens to gather evidence related to local crimes and contribute to public safety.

The seven (7) additional LPR cameras will be installed on existing Village owned light poles within the Poplar Creek 59-90 Entertainment District early January 2025.

FINANCIAL IMPACT

Flock Group, Inc provides the RTIC cloud-based software as a service and maintains ownership of the LPR cameras throughout the two (2) year service contract. Year one (1) payment of \$50,500.00 includes installation fees and year two (2) payment of \$47,950.00. This pricing includes all necessary permits, equipment and

servicing. \$22,050.00 of year one (1) payment will be reimbursed through the Cook County Department of Homeland Security and Emergency Management UASI Grant awarded in FY 2024.

RECOMMENDATION

Authorization to waive formal bidding and award a two (2) year contract for the Hoffman Estates Police RealTime Information Center Program to Flock Group Inc., Atlanta, GA, in an amount not to exceed \$98,450.00.

FlockOS Features & Description

FlockOS Features	Description
Wing Gateway, Wing Cloud, Wing VMS	Unlocks access to purchase Wing.
Custom Map Layers	The FlockOS® Map is powered by ESRI, which offers the ability for 3D visualization, viewing of floor plans, and layering of external GIS data.
Axon BWC (Body Worn Camera) Locations	Locate patrol officers and their BWC device statuses in one unified map view, optimizing coordination and response times.
Map PDF Attachments	
Camera Registry Program	Access a customizable, fully-hosted camera registry website to quickly identify nearby video sources during incidents. Strengthen community ties by incorporating fixed camera feeds from local schools, businesses, and neighborhoods. The interactive map lets you spot relevant cameras so you can easily contact camera owners to assist in investigations.
Automatic Vehicle Location (AVL) Connection	Boost situational awareness by displaying the Automatic Vehicle Location of patrol vehicles or other assets. This feature ensures resources are effectively allocated and response times are minimized.
Computer Aided Dispatch (CAD) Connection	Seamlessly incorporates your CAD system into FlockOS®. This crucial connection ensures that calls-for-service, locations, and actionable intelligence are displayed side-by-side, driving efficient call resolutions.
Floor Plans	Equip officers with detailed indoor layouts by layering building floor plans on the interactive ESRI-based map, enhancing tactical decision-making during incidents.
Drone Video Integration	Access live drone video feeds, locations, and device statuses in one unified map view, increasing situational awareness and driving safe responses to critical incidents.
FirstTwo Connection	Law enforcement agencies that already have an account with FirstTwo can enhance their Map by

	integrating vital intelligence to drive more informed responses. When there's an incident, like a License Plate Recognition (LPR) alert or a Computer Aided Dispatch (CAD) Call for Service, FlockOS will show markers on the buildings near the incident. By clicking on a building marker, information about the residents in that building will be displayed. This includes their names, ages, addresses, and a link to FirstTwo for phone numbers and additional details.
Regionalization Support	Enhance collective response and communications across your geographical region by pooling resources, technology, and intelligence. With FlockOS® Elite, you can share integrated CAD systems and cameras with neighboring agencies to coordinate quick responses to emerging threats and crime patterns, creating a safer community for residents in your broader area while maximizing resources.
Real-Time Routing	Promote safety by utilizing camera streams and vehicle history to predict a vehicle's direction of travel, minimizing the risks associated with vehicle pursuits.
SSO	Ability to sign into the Flock Safety platform via Okta Single Sign On (SSO). This increases login speed and information security.

By executing this Order Form, Customer represents and warrants that it has read and agrees to all of the terms and conditions contained in the previously executed agreement.

AGENDA ITEM REPORT
Public Health & Safety Committee
November 25, 2024
ITEM 4B

REQUEST: Authorization to waive formal bidding and award a five (5) year service agreement to Axon Enterprise, Inc, Scottsdale, AZ, in an amount not to exceed \$1,486,990.47.

FROM: Kasia Cawley, Police Chief

ITEM TYPE: Contract - Committee

REQUEST SUMMARY

The Hoffman Estates Police Department's current Taser model, the X26P, has reached its end of life and replacement parts will no longer be available. Axon recommends their current model, the Taser 10, as a replacement. Tasers are a valuable tool for law enforcement to de-escalate critical incidents with a less lethal application of force. The Taser 10 full bundle replacement package includes thirty-three (33) Taser 10 handles, rechargeable batteries, magazines, cartridges, holsters, wall mounted charging racks, instructor and sixty-six (66) user certifications and all necessary annual training equipment and supplies for five (5) years. Replacement batteries and training cartridges will no longer be an annual operating budget expense.

Representatives from Axon and stakeholders from the police department identified the purchase of Tasers as an opportunity to refresh and amend multiple existing Axon service agreements, each having different expiration dates, and consolidate and align those agreements to a new five (5) year term. The existing service agreements to be consolidated along with Tasers are Body-Worn Cameras, Auto-Tagging – applies case data to videos, Performance – officer video auditing software, and Evidence Redaction Assistant.

The consolidation of these service agreements further includes Axon VR Training, immediate upgrade to the Axon Body 4 body-worn cameras (6 months earlier than current agreement) and Unlimited Third-Party Digital Evidence Cloud Based Storage. This consolidation further offers a cost savings of \$560,966.03 over five (5) years if service agreements were executed individually.

FINANCIAL IMPACT

Axon Enterprise, Inc provides the option to pay for Tasers and consolidated service agreements outright at \$ 1,473,730.47. They provide the second option of splitting payments over five (5) years with the year one (1) payment of \$202,142.51 (already Board approved FY2025 budget) and years two (2) through five (5) \$ 317,896.99. Axon Tasers and camera equipment are covered by a total coverage warranty for five (5)

years. The Hoffman Estates Police Department received \$269,888.00 from the Illinois Law Enforcement Training and Standards Board Law Enforcement Camera Grant awarded in FY 2024.

RECOMMENDATION

Authorization to waive formal bidding and award a five (5) year service agreement to Axon Enterprise, Inc, Scottsdale, AZ, in an amount not to exceed \$1,473,730.47

ATTACHMENTS

1. Hoffman Estates (IL)- First Amendment to MSPA - Axon Signed 11.20.2024

First Amendment to Master Services and Purchasing Agreement

This Amendment (“**Amendment**”) is between Axon Enterprise, Inc., a Delaware corporation (“**Axon**”), and the Village of Hoffman Estates (“**Customer**”). This Amendment is effective as of the last signature date on this Amendment (“**Effective Date**”). Axon and Agency are each a “**Party**” and collectively “**Parties**”.

Axon and Customer are Parties to the Master Services and Purchasing Agreement by and between Axon Enterprise, Inc. and The Village of Hoffman Estates, dated October 20, 2022 (the “**Agreement**”).

The Parties wish to incorporate further changes into the Agreement in order to expand the scope of offered products.

The Parties therefore agree as follows:

1. The attached documents are hereby incorporated into the Agreement:
 - a. Axon Quote Q-627046-45615.840DA, attached hereto as Exhibit A;
 - b. Axon Virtual Reality Content Terms of Use Appendix, attached hereto as Exhibit B;
 - c. Axon TASER Device Appendix, attached hereto as Exhibit C.
 - d. Axon Event Offer Appendix, attached hereto as Exhibit D.
2. Any reference to “Agency” under the Agreement shall also mean “Customer.”
3. The Axon Cloud Services Terms of Use Appendix is updated to include:

TASER Data Science Program. Axon will provide a quantitative evaluation on the performance and effectiveness of TASER energy weapons in the field across a variety of circumstances. If Customer purchases the TASER Data Science Program, Customer grants Axon, its affiliates, and assignees an irrevocable, perpetual, fully paid, royalty-free, and worldwide right and license to use Provided Data solely for the purposes of this Agreement and to create Transformed Data. Customer shall own all rights and title to Provided Data. Axon shall own all rights and title to Transformed Data and any derivatives of Transformed Data.

Axon grants to Customer an irrevocable, perpetual, fully paid, royalty-free, license to use to TASER Data Science report provided to Customer for its own internal purposes. The Data Science report is provided “as is” and without any warranty of any kind.

In the event Customer seeks Axon’s deletion of Provided Data, it may submit a request to privacy@axon.com. Where reasonably capable of doing so, Axon will implement the request but at a minimum will not continue to collect Provided Data from Customer.

4. All other terms and conditions of the Agreement shall remain unchanged and in full force and effect.

Each representative identified below declares that they are an authorized representative of the respective Party with authority to execute this Amendment as of the date of signature.

1. **Duty Cartridge Replenishment Plan.** If the Quote includes "Duty Cartridge Replenishment Plan", Customer must purchase the plan for each CEW user. A CEW user includes officers that use a CEW in the line of duty and those that only use a CEW for training. Customer may not resell cartridges received. Axon will only replace cartridges used in the line of duty.
2. **Training.** If the Quote includes a TASER On Demand Certification subscription, Customer will have on-demand access to TASER Instructor and TASER Master Instructor courses only for the duration of the TASER Subscription Term. Axon will issue a maximum of ten (10) TASER Instructor vouchers and ten (10) TASER Master Instructor vouchers for every thousand TASER Subscriptions purchased. Customer shall utilize vouchers to register for TASER courses at their discretion however Customer may incur a fee for cancellations less than 10 business days prior to a course date or failure to appear to a registered course. The voucher has no cash value. Customer cannot exchange voucher for any other device or service. Any unused vouchers at the end of the Term will be forfeited. A voucher does not include any travel or other expenses that might be incurred related to attending a course.
3. **Extended Warranty.** If the Quote includes an extended warranty, the extended warranty coverage period warranty will be for a five- (5-) year term, which includes the hardware manufacturer’s warranty plus the four- (4-) year extended term.
4. **Trade-in.** If the Quote contains a discount on CEW-related line items and that discount is contingent upon the trade-in of hardware, Customer must return used hardware and accessories associated with the discount ("**Trade-In Units**") to Axon within the below prescribed timeline. Customer must ship batteries via ground shipping. Axon will pay shipping costs of the return. If Axon does not receive Trade-In Units within the timeframe below, Axon will invoice Customer the value of the trade-in credit. Customer may not destroy Trade-In Units and receive a trade-in credit.

<u>Customer Size</u>	<u>Days to Return from Start Date of TASER 10 Subscription</u>
Less than 100 officers	60 days
100 to 499 officers	90 days
500+ officers	180 days

5. **TASER Device Subscription Term.** The TASER Device Subscription Term for a standalone TASER Device purchase begins on shipment of the TASER Device. The TASER Device Subscription Term for OSP 7/10 begins on the OSP 7/10 start date.
6. **Access Rights.** Upon Axon granting Customer a TASER Device Axon Evidence subscription, Customer may access and use Axon Evidence for the storage and management of data from TASER Devices devices during the TASER Device Subscription Term. Customer may not exceed the number of end users the Quote specifies.
7. **Customer Warranty.** If Customer is located in the US, Customer warrants and acknowledges that TASER 10 is classified as a firearm and is being acquired for official Customer use pursuant to a law enforcement Customer transfer under the Gun Control Act of 1968.
8. **Purchase Order.** To comply with applicable laws and regulations, Customer must provide a purchase order to Axon prior to shipment of TASER 10.
9. **Apollo Grant (US only).** If Customer has received an Apollo Grant from Axon, Customer must pay all fees in the Quote prior to upgrading to any new TASER Device offered by Axon.

First Amendment to Master Services and Purchasing Agreement

-
10. **Termination.** If payment for TASER Device is more than thirty (30) days past due, Axon may terminate Customer's TASER Device plan by notifying Customer. Upon termination for any reason, then as of the date of termination:
- 10.1. TASER Device extended warranties and access to Training Content will terminate. No refunds will be given.
 - 10.2. Axon will invoice Customer the remaining MSRP for TASER Devices received before termination. If terminating for non-appropriations, Axon will not invoice Customer if Customer returns the TASER Device, rechargeable battery, holster, dock, core, training suits, and unused cartridges to Axon within thirty (30) days of the date of termination.
 - 10.3. Customer will be responsible for payment of any missed payments due to the termination before being allowed to purchase any future TASER Device plan.

First Amendment to Master Services and Purchasing Agreement

Exhibit D - Axon Event Offer Appendix

If the Agreement includes the provision of, or Axon otherwise offers, ticket(s), travel and/or accommodation for select events hosted by Axon ("Axon Event"), the following shall apply:

1. **General.** Subject to the terms and conditions specified below and those in the Agreement, Axon may provide Customer with one or more offers to fund Axon Event ticket(s), travel and/or accommodation for Customer-selected employee(s) to attend one or more Axon Events. By entering into the Agreement, Customer warrants that it is appropriate and permissible for Customer to receive the referenced Axon Event offer(s) based on Customer's understanding of the terms and conditions outlined in this Axon Event Offer Appendix.
2. **Attendee/Employee Selection.** Customer shall have sole and absolute discretion to select the Customer employee(s) eligible to receive the ticket(s), travel and/or accommodation that is the subject of any Axon Event offer(s).
3. **Compliance.** It is the intent of Axon that any and all Axon Event offers comply with all applicable laws, regulations and ethics rules regarding contributions, including gifts and donations. Axon's provision of ticket(s), travel and/or accommodation for the applicable Axon Event to Customer is intended for the use and benefit of Customer in furtherance of its goals, and not the personal use or benefit of any official or employee of Customer. Axon makes this offer without seeking promises or favoritism for Axon in any bidding arrangements. Further, no exclusivity will be expected by either party in consideration for the offer. Axon makes the offer with the understanding that it will not, as a result of such offer, be prohibited from any procurement opportunities or be subject to any reporting requirements. If Customer's local jurisdiction requires Customer to report or disclose the fair market value of the benefits provided by Axon, Customer shall promptly contact Axon to obtain such information, and Axon shall provide the information necessary to facilitate Customer's compliance with such reporting requirements.
4. **Assignability.** Customer may not sell, transfer, or assign Axon Event ticket(s), travel and/or accommodation provided under the Agreement.
5. **Availability.** The provision of all offers of Axon Event ticket(s), travel and/or accommodation is subject to availability of funds and resources. Axon has no obligation to provide Axon Event ticket(s), travel and/or accommodation.
6. **Revocation of Offer.** Axon reserves the right at any time to rescind the offer of Axon Event ticket(s), travel and/or accommodation to Customer if Customer or its selected employees fail to meet the prescribed conditions or if changes in circumstances render the provision of such benefits impractical, inadvisable, or in violation of any applicable laws, regulations, and ethics rules regarding contributions, including gifts and donations

October 2024

PATROL DIVISION ACTIVITY REPORT

During the month of October the Patrol Division responded to 4119 calls for service. The following is a brief summary of some of the activities:

On 01 October, Officer Bong initiated a traffic stop at Barrington Road and I-90 for various IVC violations. When he activated his overhead lights, he noticed the driver throw a baggie out the window. He met with the driver, a 24-year-old resident of Addison, and noticed plastic baggies with the corners cut off, which is indicative of narcotic sales. He also noticed several empty beer cans scattered throughout the vehicle. The driver exited the vehicle and denied throwing anything out the windows. The discarded baggie was recovered and contained suspected cocaine. The driver was arrested and refused to cooperate any further. He was cited for Possession of Controlled Substance, Unlawful Possession of Cannabis, Open Alcohol, Speeding, and Disregard a Traffic Control Device and released.

On 04 October, Officer Nutall initiated a traffic stop at Washington Boulevard and Bode Road for speeding. She met with the driver, a 26-year-old female resident of Carpentersville, and the passenger, an 18-year-old male resident of Carpentersville. The driver's privileges were revoked, and the passenger had a warrant from Kane County. The driver was arrested, cited and released for Driving While License Revoked and Speeding. The passenger was turned over to the Kane County Sheriff's office.

On 05 October, Officer Soby initiated a traffic stop for speeding at Bartlett and Higgins Roads. The vehicle was observed traveling 20 mph over the posted limit. He met with the driver, a 24-year-old male resident of Crystal Lake, who exhibited signs of intoxication along with an odor of alcohol emanating from his person. He submitted to field sobriety tests and failed. When offered a portable breath test, he refused. The driver was arrested for suspended driver's license and driving under the influence of alcohol. When offered a breathalyzer test at the police department, the driver refused. He was cited for DUI, Suspended Driver's License, Speeding, Illegal Transportation of Alcohol, and Uninsured Motor Vehicle and released.

On 06 October, Officer Soby initiated a traffic stop for expired registration at Higgins and Ash Roads. He met with the driver, a 22-year-old male resident of Des Plaines, who was recognized from a call earlier in the evening where it was suggested he and his passenger get an uber home. Officer Soby noticed the driver still smelled of alcohol and appeared intoxicated. The driver did not submit to any field sobriety tests and stated he had not consumed any alcohol. He was arrested for Driving Under the Influence and found to be in possession of a THC vape pen. The driver refused any further tests. He was cited for Driving Under the Influence of Alcohol, DUI Intoxicating Compounds, and Expired Registration and released.

PATROL DIVISION REPORT CONT..

On 10 October, Officer Soby initiated a traffic stop for speeding at Hassell and Chippendale Roads. He met with the driver, a 29-year-old male resident of Hoffman Estates, and noticed an odor of alcohol emanating from the driver. The driver failed field sobriety tests along and submitted a PBT reading of .141. The driver was placed under arrest and transported to the police department. He submitted to a breathalyzer test which registered .121. He was cited and released for DUI, BAC over .08, Speeding, Expired Registration, and Uninsured Motor Vehicle.

On 11 October, Officer Avila initiated a traffic stop at Barrington Road and I-90 for several violations. He met with the driver, a 35-year-old male resident of Lake in the Hills, who appeared intoxicated. The driver submitted to HGN test and failed and refused further testing. He was placed under arrest for driving under the influence and transported to the police department. The driver refused all further testing. He was cited and released for DUI, Improper Lane Usage, and Uninsured Vehicle.

On 14 October, Officer Soby attempted to stop a vehicle for speeding near Higgins and Bartlett Roads. The vehicle failed to yield and continued to drive erratically. The vehicle was followed at a distance and eventually stopped in the parking lot of 1555 Barrington Road. The driver, a 53-year-old female resident of East Dundee, advised she was unaware that the lights behind her were of a police officer. When she failed to stop, she was driving to the hospital for chest pains, even though she was initially traveling the opposite direction. The driver appeared to be under the influence of a narcotic. She exited the vehicle and advised she hadn't consumed any alcohol but had taken several prescription pain meds and smoked cannabis. She admitted to speeding along with all other violations. She was placed under arrest for fleeing and eluding, and DUI. During a search of her vehicle several illegal throwing knives, cannabis, and prescription medications were located. She was transported to the police department where she was cited and released for Unlawful Use of Weapon, Fleeing and Eluding, DUI, Transportation of Cannabis, Speeding, Disregarding a Traffic Control Device, Improper Lane Usage, Uninsured Vehicle, and Reckless Driving.

On 15 October officers responded to a complaint of a wild exotic cat roaming a Hoffman Estates neighborhood last seen on Della Drive. Officers were able to successfully locate and capture the endangered Caracal under a deck and safely turned it over to an animal sanctuary.

On 24 October, Officers Soby and Bachman stopped a vehicle for illegally tinted windows. They met with the driver and passenger. The driver, a 35-year-old resident of Hoffman Estates, gave the officers a fake name and date of birth. After further questioning, the officers checked a possible name with a driver's license photo that proved the subject was not who he said he was. He was cited for Obstructing Identification, Driving on a Revoked Driver's License, Uninsured Motor Vehicle, and Unlawful Tinted Window. He was held due to a Cook County Warrant.

On October 26 **Officer Mike Kaye** was the guest speaker at the American Legion's recognition breakfast. The event was sponsored by the Schaumburg Township. Officer Kaye is a retired US Army Lieutenant Colonel and spoke about his many tours of service. Chief Cawley and Commander Levin were also in attendance.

INVESTIGATIONS DIVISION REPORT

During the month of October, the Investigations Division welcomed **Detective Brian O'Shea** who was assigned to the Division as the Financial Crimes Investigator.

Detective Garcia continued a July case of a Burglary to Motor Vehicle which occurred during the overnight hours on the 1500 block of Barrington Road and the victim's credit/debit cards were used at multiple establishments including an attempt at online purchases on the website Temu. Documents obtained from Temu.com as a result of a subpoena showed the victim's stolen credit card to have been used by a 24-year-old female Schaumburg resident. She was subsequently identified and taken into custody with admissions being made as to the use of the stolen credit cards. One count of Identity Theft was approved by the Cook County State's Attorney's Office. This case is Cleared by Arrest.

Detective Garcia was notified of a stolen 2016 Ford Fusion having been located by the Aurora Police Department with three occupants. The occupants were a 23-year-old male from Chicago, a 19-year-old male from Mount Prospect, and a 22-year-old male from Chicago. Aurora Investigators screened the case with the DuPage County ASA's Office with 2 charges of Possession of a Stolen Motor Vehicle being approved for the 19-year-old and the other two being released without charges. The Ford was returned to the owner. This case is Cleared by Arrest and Recovery.

Detective Ramos was assigned a Theft case which occurred on the 1000 block of Roselle Road in which the victim reported their wallet was stolen from their cart. Detective Ramos located video footage and identified the offender. After several failed attempts to contact the offender, Detective Ramos obtained an arrest warrant, and the offender was later arrested by patrol officers and charged with Theft. This case was Cleared by Arrest.

Detectives Fesemyer, Parks, Ramos and Zavala attended the Illinois Homicide Investigators Association Conference. Lectures included topics

such as the case of missing person report/murder of AJ Freund, the school shooting in Tennessee and attended lectures on cell phone towers, call detail records, and open-source investigations.

Detective Fesemyer investigated a grooming investigation as part of the Cook County Internet Crimes Against Children Task Force. Detective Fesemyer received a Cybertip showing that the suspect was asking juveniles for nude images and videos on the Roblox game. Detective Fesemyer wrote several Grand Jury subpoenas and learned the suspect was a 14-year-old male from Long Grove, Illinois. Detective Fesemyer met with the suspect and his parents at HEPD. The suspect admitted to the messages in an interview. Instead of an arrest, due to the suspect's age, Detective Fesemyer provided education to both the suspect and his parents of the dangers and consequences of this type of behavior. This case is exceptionally cleared.

Detective Fesemyer investigated a child pornography case as part of the Cook County Internet Crimes Against Children Task Force. Detective Fesemyer received a Cybertip showing that the suspect had uploaded child pornography via Snapchat. Detective Fesemyer completed a search warrant of the suspect's Snapchat account, locating 3 files of child pornography. Detective Fesemyer wrote several Grand Jury subpoenas which identified a 30-year-old Schaumburg resident as the owner of the Snapchat account. Detectives Fesemyer and Parks interviewed the suspect at his residence where he confessed to possessing child pornography at some point on his cell phone. The cell phone was seized, and Detective Fesemyer wrote and executed a search warrant. An extraction of the cell phone revealed over 1100 files of child pornography, at least 25 of which were disseminated. Detective Fesemyer negotiated with the suspect's attorney for the suspect to turn himself in. The suspect was charged with Possession of Child Pornography with additional charges anticipated at Grand Jury. This case is cleared by arrest.

JUVENILE INVESTIGATIONS SECTION REPORT

Juvenile Detective Ramos investigated two related arson cases which occurred on the 4300 block of Haman Avenue. Detective Ramos obtained video footage of the incident and was able to identify the involved offenders. Two juvenile offenders and one adult offender were arrested and charged with Arson for their involvement in each incident. This case was Cleared by Arrest.

Traffic Officers Witt and Slager assisted SRO Teipel and Students against Drunk Driving (SADD) during the lunch periods to promote safety and to not drink and drive due to Homecoming weekend.

SRO Teipel was acknowledged in an assembly at Keller Jr High School and placed on their Legacy Wall for assisting Principal Barbini in 2017 with making the parking lot traffic flow safer and more efficient, a system still in place today.

During the month of October, SRO Teipel recovered 15 cell phones, 6 Air pods and 4 I-Pads, 2 wallets with U.S.C. in the amount of \$300 and numerous items of jewelry with an estimated total of \$9,000.

SRO Lowden performed student lockdown drills at Lincoln Prairie, Armstrong Elementary and Eisenhower Junior High Schools. SRO Lowden also performed a staff lockdown drill at Armstrong Elementary.

SRO Lowden assisted Lakeview Elementary with their traffic issues and provided patrol for vehicles that were double parked and blocking driveways issuing several citations. Traffic Officer Witt was notified of the issue and extra patrols are being conducted. The Village of Hoffman Estates Engineering department was on scene to observe the issues and will be pushing back traffic signs, as well as adding more, to alleviate some of the traffic issues around the school at dismissal.

During the month of October, Hoffman Estates High School Resource Officer Gessert received 28 lost/stolen property reports, of which 9 reports resulted in recovery of the lost or stolen items. None resulted in police reports.

SRO Gessert attended the community Halloween event hosted by the HEHS in the evening for young children in the community to trick or treat and participate in activities. The event was well attended and occurred without incident.

Thomas Jefferson Middle School Resource Officer Patel was alerted about a student threatening to bring a Glock to school due to him being bullied and targeted by other students and teachers. Administration searched the student's backpack and locker with negative results. SRO Patel spoke to the mother of the student, who advised the student did not have access to any weapons and provided consent to search the student's room. SRO Patel searched the student's room and did not find anything concerning.

COMMUNITY RELATIONS REPORT

October 1, 8, 15, 22– The Citizens Police Academy continued. Our police social worker Nataly Correa spoke to the class about the social work department’s role within the police department and how they work in conjunction with our officers. After her presentation, Chief Cawley went into a presentation into a case study of a homicide from when she was in the investigations division. Officer Ortiz presented the job of a problem-oriented policing officer in the community relations division. And finally Detectives Fesemyer and Parks came talked about how investigations are handled and the work that goes into them.

October 5 – Officer Ortiz attended the Hoffman Estates Community Bank Tailgate with the fire department. They had games, BBQ food, music, and police and fire department vehicles for the community to interact with.

October 12 – Chief Cawley, Sergeant Donohue, and Social Worker Alexandra Berkman attended HEFD’s Station 24 open house. There was a table set up with giveaways and the squad car was available for a tour. The fire department put on some demonstrations and there were other businesses there from the surrounding area.

October 16 – Deputy Chief Bending, Oakley, Sergeant Donohue, TAC Sergeant Giacone, and Officer Ortiz attended the John Muir school’s Trunk or Treat event. Kids from the school received candy from 25+ vehicles and had the opportunity to get inside and take pictures with the squad car. There were some kids dressed up as police officers themselves!

October 19 – Officer Ortiz attended the Haunted Hoffman event held by the park district at Fabbrini Park. The attendees participated in a trick or treat trail and then ended with some games and even more trick or treating opportunities. The EMA attended the second Hoffman Estates Community Bank’s tailgate and TAC officers attended the Trunk or Treat event at St. Alexius Medical Center.

October 28, October 29 – Sergeant Donohue and Officer Ortiz led station tours for District 54’s Early Childhood Education classes. Each tour consisted of approximately 15 teachers, parents, and children. The tour was taken through the fitness room, roll call, the holding cells, the garage, and ended in the range. The parents, teachers, and children were appreciative of the officer’s time and the tour.

CANINE UNIT

The police department is pleased to announce the newest member of the Department K9 Ajax!

October 18 – D.C. Bending, Sgt. Donohue, and Sgt. Marak attended the graduation of **Officer Grant Mullin and Canine Ajax** upon the completion of their K9 certification course which began on August 26, 2024.

TRAFFIC SECTION REPORT

Sergeant Wondolkowski reviewed 225 red light camera violations for a total time of 4.0 hours

The Traffic Section reviewed 24 hit and run traffic crash reports.

Sergeant Wondolkowski processed 38 oversize/overweight permits through the Oxcart permit system, year-to-date there have been 245 permit requests.

The department speed trailer was placed on northbound Eisenhower Circle, Fremont & Fremont Circle, Hillcrest Blvd. at Beth Tikvah and northbound Harmon Blvd. at Bullrush Drive during the month of October based on traffic complaints received by the department. The data received provides the department with valuable information (such as number of vehicles, vehicle speed and time of day) which is then used to target specific enforcement needs.

OAKLEY'S REPORT

On October 9th, Oakley joined the Community Relations Division and the northside patrol officers for the annual "Walk & Roll to School" event at Whiteley Elementary School. Oakley greeted all the kids as they walked or rode their bicycles to school.

On October 12th, Oakley attended the open house at Fire Station 24. Oakley hung out with the firefighters and welcomed residents to the event. Oakley even completed the firefighter obstacle course set up in the apparatus bay.

On October 16th, Oakley made his monthly visit the Brookdale of Hoffman Estates. This month he was joined by Pickles (Oakbrook Terrace PD) and Belle and Biscuit (Canines 4 Comfort.) The dogs hung out with the residents and received lots of pets.

On October 21st, Oakley attended a dog therapy event at Bartlett High School. Two students were struck by a bus in the parking lot and the school district requested dogs to help the other students destress.

Oakley made another school visit on October 22nd. A student at Elgin High School was killed during an armed robbery in Chicago. Dogs spent the day hanging out with students to help them cope with the loss of a classmate.

On October 24th, Oakley joined Sergeant Donohue and Officer K. Ortiz at the Schaumburg Township "Trunk or Treat" event. Oakley helped hand out candy to the kids and got a lot of pets too.

On October 29th, Oakley went to Oliver Holmes Middle School in Wheeling for a visit. The School Resource Officer requested dogs after students in 6th grade witnessed a fellow student suffer from a seizure during class.

VILLAGE OF HOFFMAN ESTATES DEPARTMENT OF HEALTH & HUMAN SERVICES MONTHLY REPORT

To: Eric Palm, Village Manager

October 2024

Prevention & Wellness

Health and Human Services and Human Resources Management partnered to host the annual Benefits of Wellness event for Village employees. This event focuses on building health and wellness through health screenings, information and resources, and participation in the insurance plan. This year, employees enjoyed a Star Wars theme of “May Your Health Be With You” as they participated in open enrollment, enjoyed a wide variety of vendors and screenings, received free giveaways and a chance to win great prizes. Employees also enjoyed the ever-popular department contest. This year’s contest was for departments to use paper to create a spacecraft or airplane. The department contest winners included the Engineering Department (furthest distance), Clerk’s Office (vendor’s choice), and Fire Department (employee favorite).

Health and Human Services and the Employee Wellness Committee hosted the annual Creepy Candy Caper Zombie Walking Challenge on October 7th. This four-week challenge encourages employees to work in teams to increase their steps and exercise activity using the A Step Ahead app. Teams track their activity and work together to battle zombies and make it to the safe house. Sixty-seven (67) employees participated in the program.

The Village of Hoffman Estates has started an initiative to become a Dementia Friendly Community. Dementia-friendly communities are characterized by their commitment to fostering awareness about dementia, understanding signs and symptoms, promoting inclusion, and allowing people with dementia to live independently for longer. Health and Human Services is following guidelines set by Dementia friendly America and partnering with Right at Home to support

the community’s journey toward becoming designated as dementia friendly. As part of our second phase, we have established a Dementia Friendly Community Committee which had it’s first meeting on October 9, 2024. The committee is made up of partnering agencies, local hospitals and businesses, the library, Hoffman Estates park district, and representatives from the Chamber. The committee is tasked with expanding trainings across our community and developing programming that addresses the needs of those living with dementia, their families and caregivers. The committee’s involvement

demonstrates the collaborative spirit of this initiative and highlights the importance of community partnerships in making meaningful change.

Community outreach is an essential part of the HHS mission. During the month of October, HHS staff, Dr. Maria Cornejo-Garcia, Dr. Audra Marks, and intern and extern Palak Patel and Amy LaBlonde attended the Fire Department open houses. Staff provided resources and information on services to the community. HHS staff Cathy Dagian, Gina McCauley, Judy Aldana and Dr. Monica Saavedra attended the John Muir Trunk or Treat event. This event was an opportunity to spread some Halloween fun and help community members learn about the services available through HHS.

HHS hosted a WITS Workout class for older adults at Village Hall in October. Fifteen (15) people attended the class. The WITS Workout program provides participants with a variety of games and tasks that help enhance memory, learn new skills, and have social engagement. The WITS Workout program will be available monthly to residents of Hoffman Estates.

Health and Human Services provides quality preventative health services to the community. In October, nursing staff provided 106 infant and children's vaccinations and 65 adult vaccinations. Through these vaccinations, a total of 196 child and 65 adult antigens were administered. Sixty-nine (69) preventative screenings were completed which include blood pressure (28), and pulse screenings (3), Blood Sugar (3), Hemoglobin (3), CardioCheck (1), TB (3), and A1C (3) tests. Nursing staff provided Bone Density clinics for the community. Twenty-five (25) bone density screenings were completed. Nursing staff provided 30 hours of consultation during the month of October. Vision and Hearing Screenings were conducted to screen pre-school age children. These screenings assist with identifying difficulties in vision and hearing and utilize developmentally-appropriate techniques to screen children and identify any necessary referral or follow-up. During October, 229 vision and hearing screenings were completed.

Treatment and Crisis Response

Health and Human Services provides in-person therapy services and telehealth psychotherapy services for the community and Village employees. During the month of October, clinical psychology staff served 101 clients and provided 272.5 hours of individual counseling, 3 hours of couples therapy, 10 hours of family counseling, 4 clinical intakes, 3 hours of group counseling and 14 hours of crisis counseling. In addition, therapy interns provided 11 hours of psychological assessment. Therapy services address a variety of mental health concerns including depression, anxiety, trauma, grief, suicidal ideation, and family conflict.

Emergency Assistance

HHS continues to be a volunteer service extension site for the Salvation Army program. Through this program, HHS provides Salvation Army Emergency Assistance services to Hoffman Estates' residents in need. This fund provides limited financial support to families who show a need due to an unexpected emergency (i.e. insufficient funds for rent or past due utility bill). Staff meets with each client for approximately 30 minutes to assess the need for additional services and/or referrals. During the month of October, no residents were assisted through the Salvation Army program.

HHS is a designated site for individuals to apply for the Nicor Gas Sharing program. The program provides payment assistance with gas bills for those who qualify and meet income requirements. During the month of October, 1 resident was assisted.

The Health and Human Services Lending Closet loans wheelchairs, crutches, canes, walkers, and knee scooters to residents for a small fee. During October, 5 items were loaned to Village residents.

Sharps Recycling Program

Health and Human Services offers sharps recycling on the first Wednesday of each month. During the month of August, 60 pounds of sharps were collected.

Charlie's Check-In

Happy Birthday to me! On October 17th, I celebrated my 2nd birthday! In October, I attended the Benefits of Wellness event, sat in on 36 therapy sessions, participated in Charlie visits around Village Hall, did various meet and greets with clients in the HHS lobby, and helped during health clinics. During one of the children's health clinics, staff encountered a little girl who was experiencing a lot of anxiety about getting her vaccines. Nursing staff invited me in to meet the little girl and I helped calm her down by letting her pet me and I gave her kisses on her hand. We all have times when we feel a bit anxious, and sometimes it helps to just have a friend like me sit with you to help you through it. I also got to dress up for Halloween as Pugsly from the Addams Family and walk around giving treats to all my friends at Village Hall!

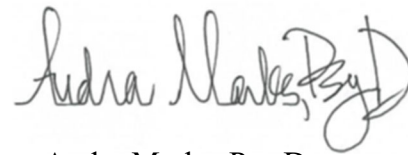

Additional Activities

- Dr. Monica Saavedra attended a meeting with Development Services to discuss CDBG funding programs for residents who struggle with hoarding on October 1, 2024.

VILLAGE OF HOFFMAN ESTATES EMERGENCY MANAGEMENT AGENCY

The Village of Hoffman Estates Emergency Management status report for October 2024:

EMC:

October and November's focus is the revision to the Continuity of Operations/ Continuity of Government Plan (COOP/COG). This process includes having each Department Directors review vendors, contacts, and priorities within their respective departments. Once finalized, I will compile the revisions send the document back village Department Directors for approval. The COOP/COG is used as a guide for village management to use in the event of a large-scale emergency where certain aspects or departments may be offline, unavailable, or disrupted. The goal of this document is to maintain our government operations during those disruptions with minimal impact by preplanning.

The Outdoor Warning Siren HE11, which is located at Rohressen Rd, ¼ mile south of Shoe Factory Rd, was upgraded this month according to Fulton Sirens.

This month, I completed the Fourth Quarter reimbursement submission for the Emergency Management Preparedness Grant (EMPG). This will conclude the reimbursement submission process for this grant cycle, with the new EMPG 2024-2025 grant cycle beginning November 1st, 2024.

As a participant in the Joint Emergency Management System (JEMS), I participated in the Integrated Preparedness Workshop that discussed regional training opportunities and the prioritization of testing Core Capabilities among the village. Each year, the JEMS communities discuss what hazards we can train on and what level of training should be provided. This could include a tabletop exercise, a functional exercise that includes a higher level of simulation, or a Full-Scale Exercise which requires the most amount of resources and participants. In 2023, we completed a tabletop that simulated a cybersecurity incident.

In 2024, we completed a Full-Scale Active Threat scenario at the Sears Complex and a Functional Exercise with some of our neighboring communities on a Hazardous Material Exposure during a simulated marathon. JEMS is currently compiling information discussed during that workshop and

will issue a final exercise plan for the next few years. Because these large-scale trainings require a lot of staff participation and development workload, sharing the responsibility and resources among the JEMS villages is a great way to achieve the same level of training, with less of an impact on workload. This regional model allows Emergency Management professionals from other villages to support one another as these exercises are developed and executed by allowing a shared pool of professionals for evaluations and simulation support.

This month, I presented three presentations during the Police Department Community Meeting on October 7, 2024. Each presentation had a nexus to emergency preparedness, severe weather, and an overview of the tornado outbreak on February 27th, 2024.

EMA Team:

The EMA Team has been working hard with both high schools in Hoffman Estates by conducting traffic assistance during their home football games. The EMA Team has conducted traffic assistance for five home games for Conant High School and five home games for Hoffman Estates High School.

In November, the EMA Team Traffic Assistance Division will be providing traffic support for all three days of the Hoffman Estates High School Soccer Tournament. This event includes multiple soccer matches over the course of three days and has hundreds of participants and attendees.

This month's EMA team meeting was a General Membership meeting that discussed a few events coming up this fall and winter, winter preparedness, and public education events that are coming up within the village. The EMA team participated in multiple Trunk or Treat events with the Police Department. The EMA Team also plans to participate in the Public Works open house scheduled for November 2nd, 2024 for the first time.

Outlook:

I am looking ahead into 2025 and developing an EMA team training calendar to include training on the Science of Disasters, Reunification processes, Severe Weather preparedness, Urban Search, and Damage Assessment. I will also be updating the Village Lockdown Plan emergency video to match the recently updated Lockdown Plan. This process includes filming additional footage with the village videography team and editing the current video.

I have also been coordinating hosting two public safety courses to be held in Q1 2025, the Active Shooter Incident Management Course and a Public Safety Special Event Management course. For the remainder of the year, I will be focusing on the completion of COOP/COG and completing a few minor upgrades to our Village Emergency Operations Center (EOC).

FIRE DEPARTMENT MONTHLY REPORT

October 2024

This month's activities resulted in the Fire Department responding to 554 calls for service, 417 incidents were for emergency medical service, 132 incidents were suppression-related, and 5 were mutual aid to other fire departments.

The following is an overview of activities and emergency responses for the month of October.

Alan Wax, Fire Chief

Department Activities and Highlights:

The two Station Open Houses were well attended and enjoyed by all. There were plenty of activities to keep everyone entertained: a helicopter landing, live burn room simulations (sprinklers/non-sprinklers), fire pole, hose practice, coloring, and vendors. Oakley, the HEPD comfort dog, really enjoyed the obstacle course!

Emergency Incidents of Interest:

10/6/24 – #24-5139 – Berkley Ln – Structure Fire

Companies responded to the above location for the report of a structure fire. Upon arrival, Engine 21 found a two-story house with nothing showing. The crew met with the resident who stated they opened the overhead garage door and found heavy smoke in the garage coming from batteries charging near the rear door. No active fire was found and the smoke had mostly dissipated. There was scorching and charring on the rear door and the deck joist outside the door. All areas were cooled and the resident was advised to replace the outlet.

10/7/24 – #24-5154 – Leeds Rd – Medical Incident

Companies responded to the above location for the report of a cardiac arrest. Upon arrival, companies assessed and treated one patient. The patient was transported to SAMC.

10/9/24 – #24-5182 – Kingsdale Rd – Medical Incident

Companies responded to the above location for the report of a patient who had given birth. Upon arrival, companies assessed and treated two patients. The patients were transported to SAMC.

10/13/24 – #24-5271 – Chippendale Rd – Medical Incident
