**3. PUBLIC COMMENT**

#### 4. NEW BUSINESS

**A. Approval of Phase II Engineering Services Agreement with TranSystems Corporation, Schaumburg, IL, for the Gannon Drive Resurfacing and Bicycle Facility Project in an amount not to exceed \$110,000.**

An item summary sheet from Alan Wenderski and Sonia Zala was presented to Committee.

Sonia Zala and Al Wenderski addressed the Committee and reported that the reconfiguration of Gannon Drive between Golf Road and Higgins Road would include an existing 4-lane roadway to a 3-lane roadway featuring 1 lane of traffic in each direction and a bidirectional left-turn lane. The extra area will be used to replace the existing sidewalk on the east side with a 10-foot wide multi-use path. The west side sidewalk will be upgraded from 4 feet in width to 5 feet.

Trustee Stanton disagreed with the project and did not feel there is a lot of bicycle traffic in that area and that there is a sidewalk on both sides of Gannon that could be used. Trustee Kinnane expressed that funds could be better spent on other projects. There was concern that the area car dealerships would still use a lane on Gannon for car drop-offs.

Trustees Mills requested the project development report, Phase I info and the area bike path map be distributed to Committee prior to the January meeting for review.

Motion by Trustee Mills, seconded by Mayor McLeod, to defer this item to the January meeting. Voice vote taken. All ayes. Motion carried.

**B. Approval of an Ordinance and Intergovernmental Agreement with IDOT for Golf Road and Barrington Road intersection improvements.**
